\$39.95

ON/OFF SPRAYER

On/Off sprayer – with easy-glide lever conveniently positioned at your fingertips – effortlessly lets you manage the water flow with one finger... no reaching for the wall or showerhead controls.

EASY TO USE

Just rotate the spray face for your ideal choice of comfort.

Gentle Drenching Spray

Pulsating Refreshing Spray

Concentrated Invigorating Spray

EASY TO STORE

Detach hose to store on bracket.

EXTRA STABILITY

If you're looking for extra stability getting in and out of the bath tub or shower but don't want the installation hassle of drilling into the wall, Rinse Ace® Brand Bath Assist Bar attaches instantly with super strong suction cups.

Bath Assist Bar offers support throughout the bathroom. Grasp for stability when using the toilet, bath tub or shower.

Mounts horizontally, vertically or diagonally on any smooth surface without causing damage.

\$14.95

BATH ASSIST BAR

3 3/4" x 11 1/2"

Suction-mount bar installs instantly where you need it most

No drilling or tools required

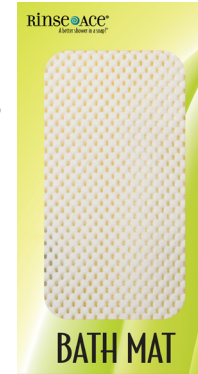

PREVENT SLIPPING

If you're looking for extra help to prevent slipping in the tub or shower but don't want the installation hassle of applying permanent non-slip treads, Rinse Ace® Brand Bath Mat attaches instantly with eight suction cups.

Bath Mat adds confidence by providing slip-resistance when showering as well as when getting in and out of the bath tub or shower.

Mold and mildew resistant as well as machine washable.

\$9.95

BATH MAT

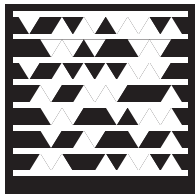

17" x 36"

Stays in place with suction cups to provide a slip-resistant surface

Rinse Ace®
A better shower in a snap.®
